Fig. 1

Fig. 2

Figure 1 consists of two diagrams. Diagram (a) is a plan view of a circular substrate 3. It features a central circular region 10 and a surrounding ring 17b. Diagram (b) is a cross-sectional view of the substrate 3, showing a central core 10, an inner layer 17a, and an outer layer 17b.

Figure 4 consists of two views of a circular component. View (a) is a plan view showing three concentric circles. The outermost circle is labeled 18b, the middle ring is labeled 10, and the innermost circle is labeled 18c. A reference numeral 4 with an arrow points to the outer edge of the component. View (b) is a side view showing the component's profile. It features a central hole 18, an outer flange 18b, and a central shaft 10. The top and bottom edges of the flange are labeled 18c. Dashed lines connect the features in view (b) to their corresponding features in view (a).
